

Chiltern Harriers AC - Subscription Renewals 2026/27

Hello Harriers,

It's almost time to renew your subscriptions for both Chiltern Harriers and England Athletics. In just a couple of weeks our evening training sessions will be in daylight again! No need for floodlights and headtorches and hopefully a bit of warmer and drier weather. It's time to look forward to another year full of running and athletics and Chiltern Harriers fun. This year we will be collecting the majority of subscriptions through England Athletics again. Look out for their email in the first couple of weeks of April. For those members with family memberships or without an England Athletics registration, I will email you separately with payment details. Looking forward to another great year with you all!

In the meantime, please can you all:

- Complete and return your renewal information. The form is on the website [here](#). DO NOT transfer any money at this time.
- If EA affiliated, check your online profile and contact email is correct and sign in at the start of April and agree to the EA Codes of Conduct (essential if you want to compete). Look out for the England Athletics email in April with the subscription payment link. This will be sent to the email on your EA registration.
- Let me know if you are a university student or coach as different subscription rates may apply.
- Let me know if you do not wish to renew your membership. Please, I don't want to keep annoying you unnecessarily and if you have time and it could help improve CHAC, let us know why.
- If you are not EA registered or have an associate/family membership, I will email you separately.
- If you haven't received anything by 20th April, or have any questions, get in touch with me at membership@chilternharriers.com.

England Athletics operates a renewal period so your EA number will remain active until 30th June to give you time to pay your 2026/27 subscription. Do not panic if you are planning to compete soon, provided you have paid in 2025/26 and your EA number is currently active, your number will still work for entries and events in April, May and June even if you don't pay on 1st April. **You must however sign in to your account and agree to the EA Codes of Conduct at the beginning of April.**

At the AGM it was agreed that Chiltern Harriers subscriptions will need to increase this year by £3. The last increase was in 2020. A standard membership will be £37, giving you access to twelve months of coaching, organised runs, competitions, track sessions and social events. (Family membership will now be £90 and associate £6). England Athletics have increased their affiliation fee to £23 for the year but this still comes with its own worthwhile benefits and discounts.

As always, if you are having personal issues with the affordability of our subscriptions or costs of being a club member please contact any member of the committee to discuss how we can potentially help you. Committee members are listed on the club contacts page of our website.

Kind regards

Tamsin Finch (Membership Secretary)

Members' data privacy is an area the club takes seriously. We only collect the minimum amount of personal data to administer your membership and to help ensure your safety during training sessions and events. Members who are involved in the processing of personal data in an official capacity for the club are reminded to ensure its security at all times and to securely destroy or delete such information when it is no longer required. Any questions regarding data privacy should be directed to the club's Data Protection Officer, Jonathan Taylor via email to dpo@chilternharriers.com. The club's privacy notice can be viewed on our website www.chilternharriers.com
